

## Fix up the **WHOLE HOUSE** and **GET BIGGER REBATES!**

Our new Whole House Rebate Program encourages you to take a more wide-spread overhaul of your home's efficiency measures and participate in multiple rebate programs all at once, allowing you to "bundle" the rebates together. This adds up to greater energy and water savings as well as increased rebate amounts – up to 350% more!

RPU's current rebate programs for Air Conditioning, Artificial Turf, Energy Star Appliances, High Efficiency Clothes Washers and Toilets, Pool Pumps, Rotating Sprinkler Nozzles, Shade Trees, Waterwise Landscaping, Weather Based Irrigation Controllers, and Weatherization measures (such as insulation, energy efficient doors and windows, and attic fans), all qualify for additional Whole House Rebates.

When you install a minimum of two energy and/or water efficiency measures from these qualified programs at once, the improvements are assigned "efficiency points". The total points determine which of five tiers your rebate would fall into:

### Whole House Rebate Program Points Tier

- 1-6 points = 100% rebate
- 7-9 points = 150% rebate
- 10-14 points = 250% rebate
- 15-29 points = 300% rebate
- 30 points or more = 350% rebate

The more qualified programs you participate in, the more points you can receive, and the higher the rebate.

The maximum dollar amount rebated per customer account in a 12 month period is limited to \$7,000. Rebates must be submitted within 90 days of purchase to qualify. Additional restrictions may apply.

**Funds are limited for this exciting new program, so act fast! For complete program details visit [RiversidePublicUtilities.com/WholeHouse](http://RiversidePublicUtilities.com/WholeHouse) or call (951) 826-5485.**

## do you know?

The Sharing Households Assist Riverside's Energy (SHARE) Program has been assisting low-income Riverside residential electric customers with their utility bill for over 20 years. You can help too! Look for the box at the bottom of your utility bill to donate.

## Free Sprinkler Nozzles!

From July 1 through September 30\* Riverside water customers can receive FREE low water use sprinkler nozzles. These nozzles use less water nozzles, help to reduce runoff, and can help you lower water bills.

Look for more information in your August Utility Bill or log on to **FreeSprinklerNozzles.com** to receive a voucher redeemable at one of four participating Riverside stores.

\*while supplies last.

Please return this part of the bill with your payment in the envelope provided.

Mail to: City of Riverside Public Utilities, 3900 Main Street, Riverside, CA 92522-0144.
