## LOVE THE **whole HOUSE** YOU'RE IN.

The Whole House Rebate Program encourages you to participate in multiple rebate programs all at once, allowing you to “bundle” the rebates together for greater efficiency in your home. It adds up to greater energy and water savings as well as increased rebate amounts – up to **250%** more!

When you install a minimum of two energy and/or water efficiency measures from these qualified programs at once, the improvements are assigned “efficiency points”. The total points determine which of four tiers your rebate would fall into:

### Whole House Rebate Program Points

1-6 points	= 100% rebate
7-9 points	= 150% rebate
10-19 points	= 200% rebate
over 20 points	= 250% rebate

For complete program details visit [GreenRiverside.com](http://GreenRiverside.com) or call (951) 826-5485. Program is limited to fund availability. Restrictions apply.
